The Beacon October 2024

Dear Partners in Christ,

Since our schools are now in full swing for this new academic year, we are reminded to take special notice of those yellow road signs which show an image of a boy and girl carrying books. Those signs mean SLOW DOWN , SCHOOL ZONE!.

Such yellow school signs can also be life signs for us. They can remind us not only to reduce the speed of our cars as we go off to work, but also that learning is not just the business of children between the ages of six and eighteen. To be a student is a lifetime vocation for each of us.

Use those yellow signs we all drive past as a reminder to ask ourselves, "Am I still a student? " Am I still a person who enjoys learning new things about the world I live in, about those around me, about my faith?

Henry Ford once said, "Anyone who stops learning is old, whether twenty or eighty. Anyone who keeps learning stays young. The greatest thing in life is to keep your mind young."

F. Scott Peck, a great American Psychiatrist and author, once said; "The great awareness comes slowly, piece by piece. The path of spiritual growth is a path of lifelong learning. The experience of spiritual power is basically a joyful one." And I completely agree with his assessment! It's never too late to join us in any of our learning adventures at Immanuel Trinity.

Grace and Peace,
Pastor Tom

Coats for Kids Campaign

We will be assisting the Salvation Army in their **Coats for Kids 2024 Campaign** again this year. The dates for this drive are September 23rd - October 24th. Any winter wear for ages 0 -18yrs is appreciated. There are so many families in our town that are living in poverty and need our help. We will have donation boxes located in various areas around our church. Thank you, Faith in Action Team
